

## **Cheat Sheet #5**

### **Filing Annual Statements For An LLC Formed in Michigan**

Here's a quick briefing on meeting Michigan's annual reporting requirements. This will help take a little mystery of the unknown away.

The state of Michigan requires one Annual Statement every year. In other states, this filing is known as an "Annual Report." Any LLC operating in the state of Michigan must file one every year.

They're due the day after Valentine's Day, on February 15th. All LLCs in good standing can file this statement online.
